### Background

On September 30<sup>th</sup> 2025, the **Celebrating Community Solutions event** was held in YMCA Bellshill and Mossend. The purpose of the event was to showcase the incredible work projects funded through Community Solutions have delivered. The drop-in style event displayed posters of currently funded projects from all funding streams around the room, highlighting the breadth of funded activities across North Lanarkshire. The event welcomed over **110** attendees throughout the day, and received positive feedback from the sector and partners.
